SUNDAY, AUGUST 10TH. MARK YOUR CALENDARS!

The time is near for our annual Picnic at High Hill Ranch — Sunday August 10, at High Hill Ranch in Camino. Please start arriving around noon, we eat at 1pm and the fun goes to 4pm. The price for the lunch is just \$8.00 for adults, \$4.00 for children, collected at the picnic.

We have two main prizes for this year's picnic. An Escort 12ga. Semi-auto shotgun and auto GPS. You need not be present to win the main raffle prize. Tickets for the raffle are available from all officers and directors of the club. Also from Letty at the Mountain Democrat, Monday – Wednesday – Friday between 10am and 3pm, you can reach her at 530-409-3006, and from Larry Ward at Ward's Automotive in Diamond Springs.

All main prize tickets are \$5.00 each, so buy as many as you can to help support the club. Tickets will be available to purchase at the picnic. We have many other great prizes that we will be raffling off at the picnic so be sure to attend.

If you are planning on attending the picnic we are asking people with last names beginning with A through P to please bring a Salad. People with last names beginning with Q through Z please bring a Dessert.

The annual picnic is one of two main fund raisers for the club, the other being our Annual Banquet Awards Dinner. I can't stress enough how important it is to have your support at these events. We have many great plans for our range and without these fund raisers we can't move forward and make the improvements that we all would like to see at the range. So please support our club by buying tickets for the main prize and by attending the picnic and enjoying the company of others who support the cause that you find important, the El Dorado Rod & Gun Club.

Hope to see you August 10, at High Hill Ranch for an enjoyable time. For more information go to our web site @ www.eldoradorodandgun.com.

Who Stole the Plink Crews Trash?

Richard Maynard led, Doug Becker, Jake Erlich, David Hawkins, and Doug Ricciarelli to clean out the remains of a burned up trailer near Brown Rock where they also found two full six packs of beer near a snow bank, various truck tires, and a front end. David Hawkins tarried a while extra to help four damsels in distress but their husbands eventually showed up. Terry Bush, Tony Zepczyk, Si Russell, Michael Eribes de Flores, Ed Dunn, Donn Niblett, Stan Cartwright, and Marian Garric flyspecked two shooting areas, and put out an abandoned bon fire. Phil Weidman brought our lunches and announced that he had found a place that we were going to clean up but it had just been raked clean according to a sign he found by "an ex PLINK member Tim G". Stan and Marian later found another cleaned up place where someone had left a pile of trash bags that they had filled. This has happened before. PLINK shows some folks where they can go and they then take care of it on their own. Which is exactly what we have been trying to stimulate.

Next PLINK adventure, Sunday June 22, 2008, just phone/email Steve at (530) 620-3946 if you are interested in joining. Replying will be appreciated as it will help to know how much stuff to bring.

The Please Leave It NRA Klean shooting areas clean up tour, starts at 9am from the Pollock Pines Hwy. 50 exit 60, Safeway parking lot. All are welcome to help keep these PLINK areas clean and open. Just bring your NRA attitude, guns and ammo. PLINK and the U.S. Forest Service will supply tools, gloves, trash bags, cold drinks, and lunches. We are usually done by 1pm, two trucks will be loaded for the dump, most can stay to shoot Targets, NOT trees.

TAX REBATE CHECKS

The Federal Government is sending us tax rebate checks to help jump start our sagging economy. To make sure that this project is successful you must keep the following in mind:

1. If we spend the money at WAL-MART, the money will go to China.
2. If we spend it on gasoline, it will go to the Arabs.
3. If we purchase fruits and vegetables, it will go to Mexico, Honduras and Guatemala.
4. If we purchase a GOOD car, it will go to Japan.
5. If we purchase usless crap, it will go to Taiwan.

None of the above options will help the American economy.

The only way to keep that money here at home is to buy Guns and Ammo, since these are the only products still produced in the United States.
